

Chute M.S. Skate Time

Dear Parent or Guardian,

On **December 16-22nd.**, all Chute Physical Education classes will be participating in an in-house roller skating program. The skates will be delivered directly to the school. **Due to insurance purposes, we will be exclusively using Skatetime's skates.**

This skating unit is being implemented because of its emphasis as a "Lifetime Activity". Skating provides a variety of benefits, which include balance, coordination, motor skills, and a top-rated cardiorespiratory workout. Students will also learn basic skating skills such as starting, stopping, forward skating, backward skating, cornering, and many safety tips for being a smart skater. Wrist guards will be provided for all students while helmets, knee pads, and elbow pads will be made available upon request.

The fee for this unit will be **\$5.00** per student for skate rental. A special thank you to the Chute PTA for covering a portion of the fee, to bring down the cost for Chute students and families. The fee includes the delivery and pickup of the equipment as well as the use of skates for **Five Guaranteed Days** of skating during normal P.E. classes.

Please have your child return the bottom portion of this permission slip with the **\$5.00 fee no later than Wednesday November 16th** to guarantee your shoe size. If you have any further questions contact your child's P.E. teacher via email.

NON-SKATERS WILL PARTICIPATE IN AN ALTERNATIVE ACTIVITY DURING THIS WEEK

Tear here and return the bottom portion by November 16th

Student Name _____ Grade _____ P.E. period _____

My child's shoe size is _____ *IN* Circle one: **GIRL** **BOY**
