

# Chute M.S. Skate Time

Dear Parent or Guardian,

On **March 18-22nd.**, all Chute Physical Education classes will participate in an in-house roller skating program. The skates will be delivered directly to the school. **Due to insurance purposes, we will be exclusively using Skatetime's skates.**

This skating unit is being implemented because of its emphasis as a "Lifetime Activity." Skating provides various benefits, including balance, coordination, motor skills, and a top-rated cardiorespiratory workout. Students will also learn fundamental skating skills such as starting, stopping, forward skating, backward skating, cornering, and many safety tips for being a smart skater. Wrist guards will be provided for all students, while helmets, knee pads, and elbow pads will be available upon request.

This unit will cost **\$10.00** per student for skate rental. The fee includes the delivery and pickup of the equipment and the use of skates for **Five Guaranteed Days** of skating during regular P.E. classes.

Please have your child return the bottom portion of this permission slip with the **\$10.00 fee by Wednesday, Feb. 21st.** to guarantee your shoe size. If you have further questions, email your child's P.E. teacher.

## NON-SKATERS WILL PARTICIPATE IN AN ALTERNATIVE ACTIVITY DURING THIS WEEK

**Tear here and return the bottom portion by February 21st.**
